REASONS FOR ALLOWANCE

1. Claims 30 and 31 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest, in combination with the claimed elements, an electrical load control device with an actuator mounting frame, a yoke with an opening in which the mounting frame is received, a pushbutton switch actuator and a clip for removably securing the pushbutton switch actuator, the clip supported adjacent the rear side of the yoke for translation with respect to the yoke that is substantially perpendicular to the translation of the pushbutton actuator, the clip translating between a first locked position in which the clip engages the pushbutton actuator to secure the actuator and a second unlocked position in which the clip is disengaged from the pushbutton actuator to provide for removal of the pushbutton switch actuator, a portion of the clip accessible through the yoke opening from the front side of the yoke.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
